

Compassionate Leadership Monthly Series

Session 2: June 17, 2020

Part B (second half of slides)

Three Levels of Compassion

- For self
- Receiving from others
- Giving to others

Creating a Culture of Care

A Culture of Care

- Creates a brave space for all thoughts, feelings, and ideas.
- Creates regular and meaningful time to connect individually with staff and teams.
- Prioritizes relational engagement.
- Engages staff and teams through an equity lens.*
- Willingness to be vulnerable, honest, and have complex conversations from a place of love and compassion.

Creating a Culture of Care Self-Work

- ♥ What concrete steps are you taking to show yourself love & compassion?
- ♥ How can you make this a continuing practice for yourself?
